

# I-270 North Design-Build Project Goals

1. Deliver the Project by December 1, 2023 within the program budget of \$225 million.
2. Maximize reliability and safety while linking communities for all users.
3. Provide a durable and maintainable transportation network making Interstate 270 the conduit for a prosperous region.
4. Grow and utilize a diverse workforce.
5. Minimize and mitigate impacts to customers through innovation.

# The Design-Build Process

Design-Build leverages private sector innovation to build on existing conceptual designs through a competitive process. Currently, MoDOT is advertising the project in local and national publications with the intent to shortlist between two and five design-build teams to compete for the \$225 million contract.
